Chapter 3, Section 3.7 shall be deleted;

Chapter 3, Section 3.8 shall be amended as follows:

NOMINATIONS

Section 3.8 The mode of nomination of all elective officers provided for by this charter shall be by petition. The name of any elector of the City shall be printed upon the ballot when a petition in the form prescribed in Section 3.9 shall have been filed in his behalf with the election authorities. Such petition shall be signed by at least thirty and not more than forty electors of the City. No person shall sign his name to a greater number of petitions for any one office than there are persons to be elected to said office at the following regular city election. City Clerk

DATE: October 22, 1987  
 TO: City Clerks  
 FROM: Christopher M. Thomas, Director of Elections  
 SUBJECT: CITY ELECTION INFORMATION

The enclosed compilation of your city elections updates the previous compilation mailed to you in April, 1986. Please contact this office if the information listed for your jurisdiction is not accurate. A complete compilation will be mailed to all cities the beginning of December. If we have not heard from you by the end of November, we will distribute the list as is.

### Updating City Charters

In gathering information for the compilation, it was brought to our attention that a number of city charters contain provisions relating to the administration of elections which have been struck down by the courts. If it is apparent that a change is necessary it should be handled as an annotated foot-note to the effected section of the charter. Such changes be they by court action or change of law are not a matter to be submitted to the voters as a charter amendment. The foot-note procedure should be used in any case where the passage of a law or court opinion effects charter provisions. We therefore urge you to review your charter with your city attorney to make sure it does not conflict with the most recent court rulings on the following two issues:

CANDIDATE RESIDENCY REQUIREMENT: It has been determined that the imposition of a candidate residency requirement which exceeds one (1) year is excessive. See Bolanowski v Riach 330 F Supp. 724 Ed. Mi 1971 also Joseph v Birmingham 510 F Supp. Ed. Mi 1981.

CANDIDATE PROPERTY OWNERSHIP REQUIREMENT: It has been determined that property ownership within a jurisdiction cannot be imposed as a pre-requisite to seeking office in the jurisdiction. In other words, a city charter cannot require a person who wishes to seek office in the city to own property in the city. See the following Appeals Court cases: Kramer v Union Free School District, June 16, 1969; Evans v Cornman, June 16, 1970; and Williams v Lansing Board of Education, June 24, 1976.

It is further noted that a city cannot bar a person from seeking office under the "Default Provision" of the Home Rule City Act simply because of non-payment of city taxes. (MCL 117.5(f)). The provision states that a city does not have the power to "...make a contract with, or give an official position to, one who is in default to the city." Attorney General Opinion No. 120, issued October 29, 1935, states that a person who is delinquent in payment of a city tax is not in default within the meaning of the Default Provision.

In addition to our knowledge, there is nothing which prohibits the imposition of an age requirement on candidates who wish to seek city office so long as all the charter requirements are met by the person seeking office.

The Clerk shall, forthwith after the filing of a petition, notify in writing any candidate whose petition is then known not to meet the requirements of this section, but the failure to so notify any candidate shall in no way prevent a final determination that the petition does not meet such requirements.

Within three days after the last date for filing petitions, the Clerk shall make his final determination as to the validity and sufficiency of each nomination petition and whether or not the candidate has the qualifications required for his respective elective City office by this Charter, and shall write his determination thereof on the face of the petition. Such returns shall include all the additional assessments, charges and fees hereinbefore provided which shall be added to the amount assessed in said tax roll against each property or person.

The taxes thus returned shall be collected in the same manner as other taxes returned to the county Treasurer are collected, in accordance with statute, and shall be and remain a lien upon the property against which they are assessed until paid.
